This letter will be used to send the requested ID axle plate to you.

(Replacement) ID plate for your Mercedes-Benz trailer axle

Dear customer,

Further to your recent request, please find enclosed your (replacement) axle ID plate. Please fix the ID plate in the centre of the axle housing. To achieve good adhesion to the axle housing, please ensure the area where the ID plate is being attached is clean and free of oil and grease.

If you have any queries or require further information, please do not hesitate to contact our Service Team on +49 (0) 561 / 802 27 77.

Kind regards,
